

Wednesday Afternoon Quilters

The Hall at St. Anne's is available to the guild members in the afternoon following our monthly meeting. During the afternoon, we meet and share our ideas and quilting skills. As a guild member, you are welcome to attend any of these sessions. No registration is needed and no cost is involved. Each participant supplies her own fabric and takes home her own quilt or sewing project.

Bring a bag lunch, sewing machine and basic sewing supplies along with your choice of fabric and stay for the afternoon. Please leave everything in your car until after the meeting unless you are being dropped off.

A different pattern idea will be presented each month with an emphasis on simple small quilts. The aim is for the project to be simple enough for a beginner to master, but at the same time provide a new technique to enlarge our repertoire of skills. Information regarding each monthly project and fabric requirements will be available at the previous meeting, in the newsletter and on the web.

This is an opportunity to get to know more of your fellow members, pick up new ideas and skills and first and foremost to enjoy quilting.

Call us crazy, but this looks like the best deal in town. NO it is not an example of the old adage that if it looks too good to be true it probably is!!!!
